ABOUT US

MISO AGRICULTURE GROUP has 2 subsidiary companies and is specialized in agro products growing, processing and marketing. It has a total investment of 16 million USD and employs 190 people. Annual output about 8,000.00 tones of various agro products.

Its export company Ninas Import & Export together with 2 production factories, manufacture and export various agro products including nuts,kernels,dried fruits, canned vegetables,-canned ready meals,capers and agricultural-based products. Covering a land area of 20 hectares,Misso production base in Gaziantep is one of biggest ones of its kind in Turkey. Possessing in total 2500 hectares of plantations for pistachio,grape,capers,chickpeas, etc, Misso has the capacity to produce pistachio 2000 tons, agricultural-based products 6,000 tons each year. Every month there are hundreds of trucks and containers shipped to every corner of the country and the globe.

Misso has passed FDA, BRC, ISO9001, ISO22000, HACCP, HALAL, Kosher certifications, and Misso Agriculture Group has registered pistachio and packing house for export Turkey.
